

*Once the world was dark as the night,*

So our God said "Let there be light."

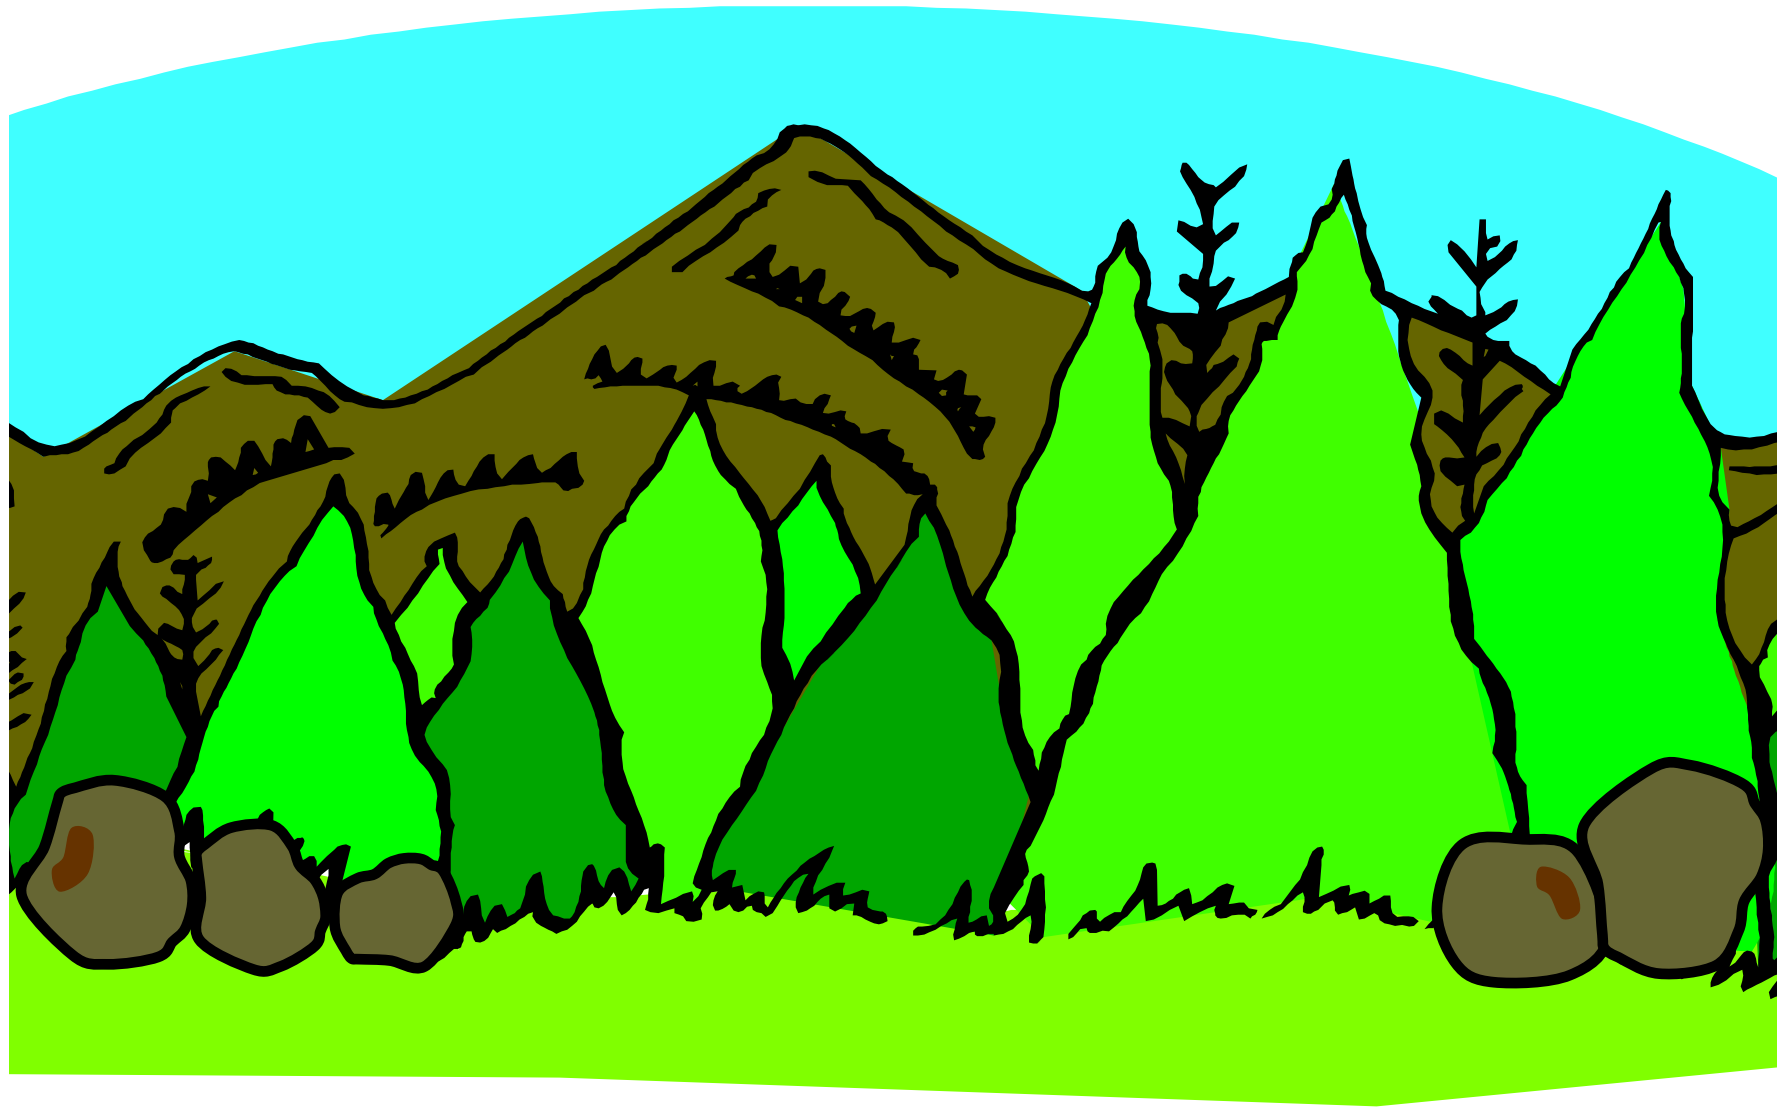

Sunlight set the heavens aglow.

Alleluia!

Alleluia, God made it so, Alleluia, God made it so.

God then made the land and the seas,

Rocks and mountains, meadows and trees.

Grass and flowers and rivers that flow.

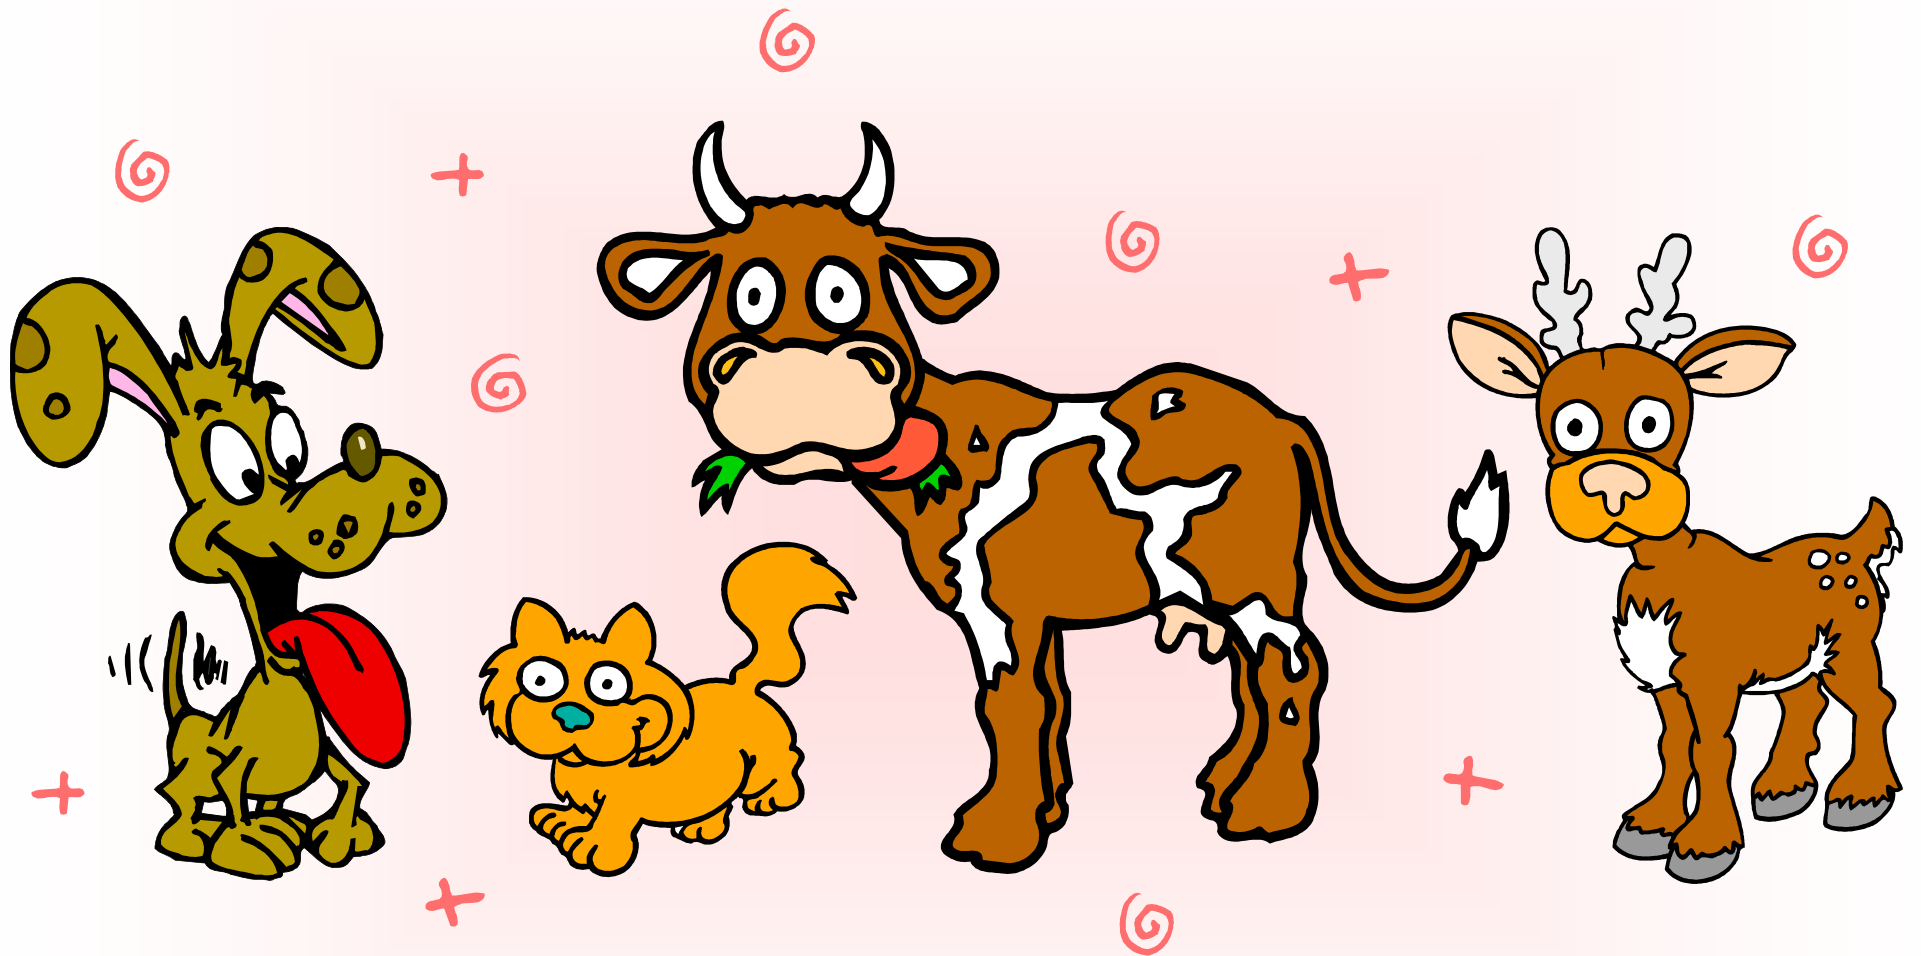

Alleluia!

*Alleluia, God made it so, Alleluia, God made it so.*

Next God made all creatures appear,

Dogs and cats and cattle and deer,

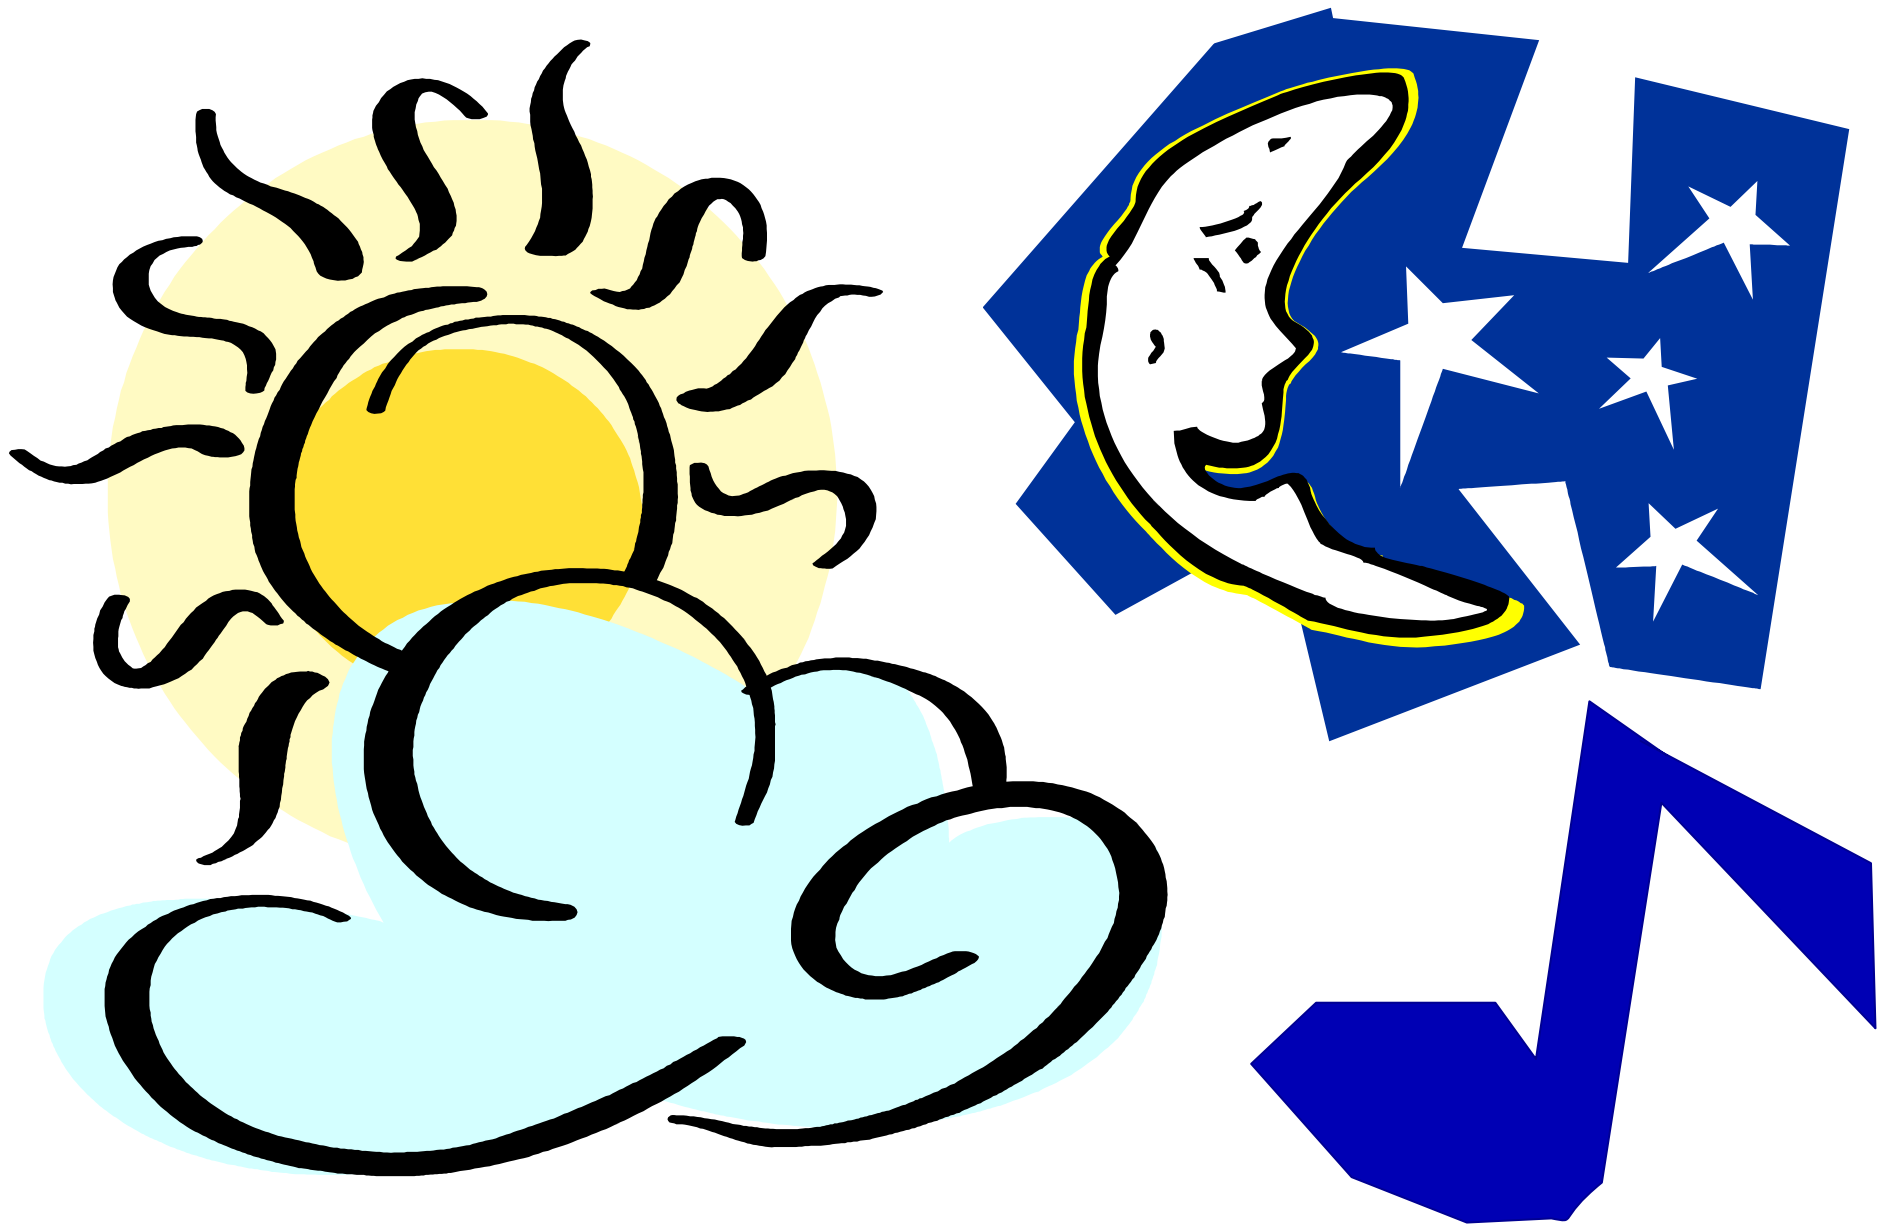

Birds above and fishes below.

Alleluia!

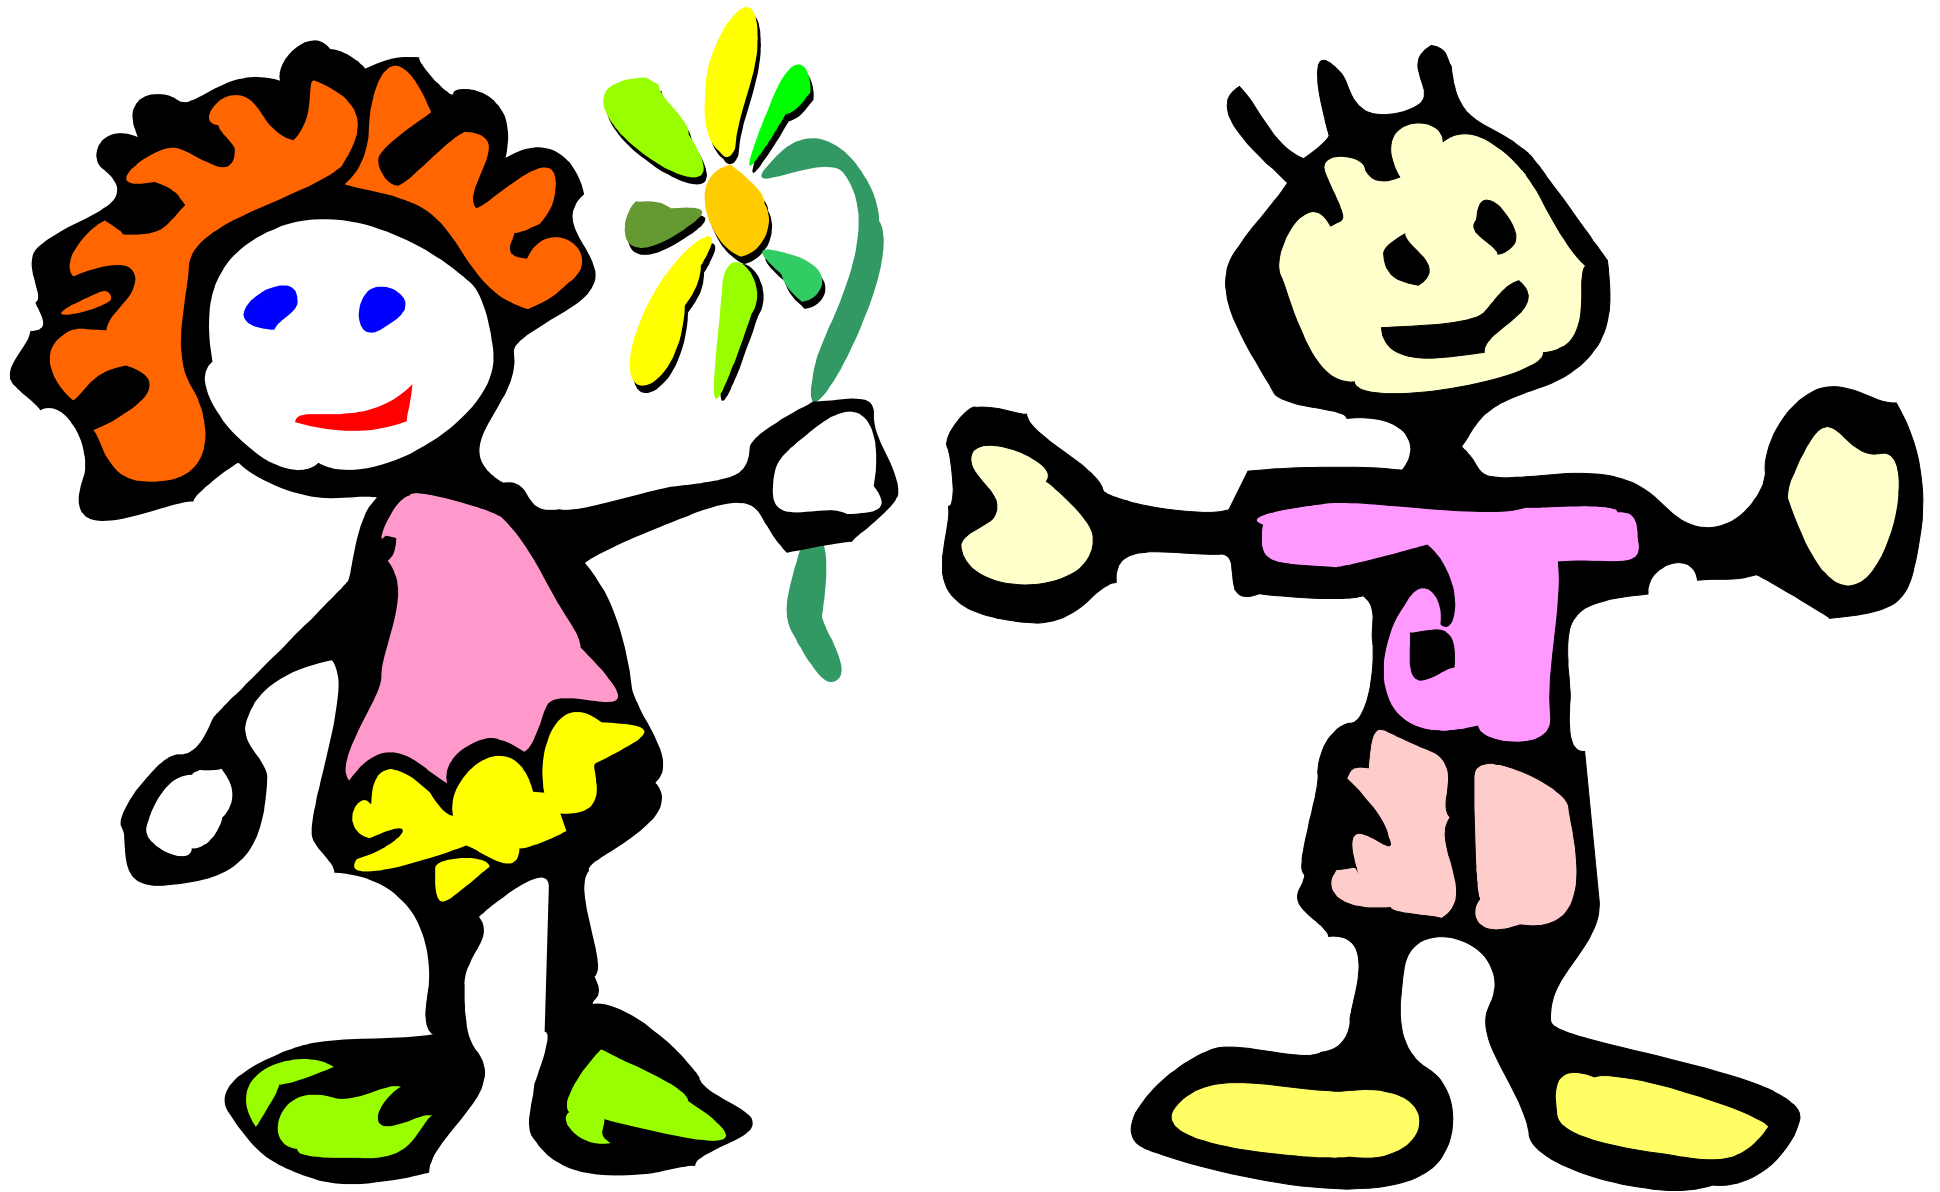

*Alleluia, God made it so, Alleluia, God made it so.*

God loves, God cares, Earth now sings in thankful prayer.

Sun, moon, stars, sky, sing to God on high.

Then God made us, woman and man.

Loving us in all in God's plan.

*God is always helping us grow.*

Alleluia!

*Alleluia, God made it so; Alleluia, God made it so.*

Thank

You

We thank you God for loving us so.
