Group 1 begins by chanting "Christian Year! Christian Year!" in rhythm.

Group 2 enters two measures later: "Celebrate the Seasons! Celebrate the Seasons!"

Both groups continue these rhythmic patterns throughout the chant.

Group 3 enters after the above patterns are well established.

To end: After one repetition, Group 3 exits; Group 2 exits two measures later;

Group 1 exits two measures after Group 2, creating a "fade out" in reverse order of entrances.
