 4. E - ter - nal pre - sence, our fu - ture, past, and pre - sent are in serv - ing you;

we now af - firm our sa - cred task, \_\_\_\_\_ of wit - nes - sing to all who seek the way, \_\_\_\_\_  
 to those this day whom you would own, \_\_\_\_\_ as child - ren who can show your spi - rit's power. \_\_\_\_\_  
 to - mor - row is with - in your hands, \_\_\_\_\_ yet we must do our part to make a - mends, \_\_\_\_\_  
 we sing your praise e - ter - nal - ly, \_\_\_\_\_ O Lord, re - deem - er, guar - dian, sa - viour, king; \_\_\_\_\_

God of our foun - ders, we con - se - crate a - new our lives to you this day.  
 God of the pre - sent, O let us serve as ne'er be - fore in this dark hour.  
 for that which we, Lord, in spite of know - ledge of your grace have failed to rend.  
 our thank - ful hearts, now, with gra - ti - tude and hom - age at your feet we bring.
