Choristers Guild is a 501c3 nonprofit organization whose mission is to enable leaders to nurture the musical and spiritual growth of children, youth, and adults.

From the Composer

Jesus was constantly calling his disciples to go to the other side until they no longer saw “sides,” but a circle with God’s love at the center.

Jesus was constantly encouraging his disciples to reach out to others until there was no longer an “other,” but simply us.

Even now Jesus calls his disciples (us!) to see as he sees, and to love as he loves.

Jesus’ love is not abstract.

Jesus’ love has no limits.

Jesus’ love knows no boundaries.

*For I was hungry and you gave me food, I was thirsty and you gave me drink,
I was a stranger and you welcomed me.
– Matthew 25:35*

Jesus loves the little children...all the children of the world. And each one of us is a child of God. That makes us more than “us” and “them.” It even makes us more than neighbors. In God’s eyes we are family. Somos familia.

My earnest prayer is that all children are able to experience the warm embrace of a loving family. Many have gone without that experience for far too long.

Eres amado.

You are loved.
