Rote to Note Discovery Page

Melody Mystery

Name each note below with its solfege syllable or letter. The first note in each melody line is [**do**] or [**F**].

○ 

— — — — — — — — — —

○ 

— — — — — — — — — —

○ 

— — — — — — — — — —

Next, look through your music to find these three melodies above. When you spot each melody, write the measure number in the circle next to each melody.

A Tale of Two Meters

This song includes both triple and duple meters. To experience the difference, listen to the accompaniment of this song. Move your body to the music in a way that you choose, being respectful of your neighbors. Be ready, though - the music will change! When it does, move your body in a new way.

Be ready for the music to switch back, and when it does, start moving your body like you did at the beginning. (Can you remember what you did?)

How many times does this song switch (meters)?

The **Rote to Note Choral Series** is designed to provide quality anthems for developing choirs, especially children's choirs, where young singers often experience choral singing and music reading for the first time. The vocal staff is intentionally enlarged to make it easier to read. Please purchase enough copies of the anthem for each singer, thereby encouraging their musical development.

Unauthorized copying or reproduction of this material, unless otherwise stated, is illegal.
