

## More Activities for Sounds Funny 2

Use Sounds Funny 2 posters and flashcards for these extensions:

**CREATIVE MOVEMENT:** Divide children into small groups of two or three. Space groups far enough apart that they can work and move together.

Hand each group a poster duo (for instance, “lazy buzzing bumblebee” and “busy buzy bumblebee”). Posters should be distributed randomly - not in order.

Give each group 3 minutes to devise a simple movement for each of their posters/sounds.

Perform “Sounds Funny” with the track and creative movement. Since groups are placed in random order, they will need to listen carefully for their cue!

**RHYTHM READY:** Practice note values and rhythm with flashcards! Divide older children (grades 4 and up) into small groups of two or three. Hand each group a poster duo (for instance, “lazy buzzing bumblebee” and “busy buzzing bumblebee”).

Enlarge flash cards and display the rhythms on the wall. Give groups 5 minutes to match up their poster with one of the rhythms. Encourage them to clap the rhythm and double check their answers.

Compare and check answers with the full group.
